

In regards to MB Docket No. 04-233 I am writing to express my support for K-LOVE. For the past three years I have listened to K-LOVE on a daily basis and have been encouraged by their music and commentary. K-LOVE is unique among most radio stations. Its consistent message of hope through a personal relationship with Jesus Christ helps to bring about behavior in individuals that is constructive and positive for society as a whole. Should K-LOVE be displaced by LPFM programming my community will experience a void that cannot be replaced by other means. Radio is a very powerful communication tool and its ability to reach individuals most anywhere is unique. By allowing K-LOVE to remain on the air you will be helping individuals to strive for what is best in mankind, to love God and to love your neighbor.

Thank you for your consideration!

Sincerely,

Jim Lancaster
